Hello everyone!

- **get into** (be accepted as a student): *He got into Cambridge.*
- **get back to someone** (contact someone later): *Sorry, I can't talk now. I'll get back to you later.*
- **get on** (manage a job or situation): *How is James getting on? (= how is James doing?)*
- **get by** (have just enough money): *They don't have a lot, but they get by.*

Let's review!
